The event will be part of the cultural activities of 2009, announced by Unesco as the "Grotowski Year", for the occasion of the 50th anniversary of the foundation of the Theatre of 13 Rows in Opole and the 10th anniversary of Jerzy Grotowski's death (January 14, 1999). Conferences, publications, seminars and meetings are organized all over the world, after the opening event last January in Wrocław, Poland, held by the Grotowski Institute.

From 2007 to 2009 the Workcenter opens its doors Eastwards with project Horizons, which brings the Workcenter three months each year to Wrocław, Poland with its ongoing research. Horizons is supported and hosted by the City of Wrocław; the Instytut im. Jerzego Grotowskiego of Wrocław is the fundamental partner and coordinator for this project.
