## Testimonials to previous Dzieci para-theatrical workshops

"I wanted to thank all the members of Dzieci for hosting such a wonderful, giving event. It startled me, awakened me, and reminded me of primal places within me."

-Angela Delichatos, participant, "Pandemonium"

"My experience totally defies words. It allowed for a sharing and intimacy that I find lacking in my day to day. The use of movement and sound was transformative on a kinesthetic and visceral level."

-Lisa Lerner, participant, "The Thunder, Perfect Mind"

"It melted me, humbled me, destroyed my ego and pride, ripped my heart open, and changed me forever.

-Krystyna Sanderson, participant, "The Hero's Journey"
